

Weekend Brunch

Our eggs come from Pasture Fresh Eggs, a six generation family farm west of Petaluma. The chickens forage on rolling hill pastures supplemented with organic feed. The certified organic eggs have different color shells, bright yellow-orange yolks and are high in omega 3. They have incredible flavor.

Our Southern Pride rotisserie smoker is constantly busy with our house-brined hams, pork shoulder and homemade sausages

- Churros** Warm and Crisp with a Cream Cheese Dipping Sauce..... **\$7.00**
